**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have a local, small internet service provider, Sonic.net. I love the price and service Sonic is able to offer. Small companies like Sonic are in danger of being squeezed out because of large providers. Allowing larger companies to squeeze out smaller providers would stifle the free market, limit consumer choices and suppress innovation. This would also cut off many rural communities from their only source of broadband.

Please save competitive Telecom.
